## REMOSA

I would like to express our sincere appreciation for your participation.

Attached is a certificate of appreciation for your participation to the SK New FCC Project.

We regret to inform you that we are unable to invite you to the ceremony for the successful completion of the New FCC Plant, because we have decided to limit it as a local scale only.

I believe that we will have another opportunity to work together in the near future at the HCC Project of SK Incheon Complex.

Once again, thank you for your cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "Sook-Hyung(Sam) Kwon".
