Dear Sir,

First of all we would like to express our sincere thanks to Remosa management and all your staffs for your great support/efforts and contribution for the safe, stable and reliable operation of our RFCC plant.

As mentioned in your foresaid letter, the Remosa new plug valve for RFCC was successfully installed during the last turnaround and has been in smooth, reliable and perfect operation so far.

The perfect support, capability and efforts of your Engineers/Specialists as well as good performance of your supplying equipment/technical services are convincing and clear evidences for Remosa good quality as world leading manufacturer and high prestigious technical service supplier.

Once again, we would like to thank you for your hard working, good services, high-ranking quality and professional working attitude.

We hope to continue having long term co-operation with you in future.

Yours faithfully,

**Nguyen Hoai Giang
General Director**
